12.9 hectare mixed use farm for sale in Uitzicht (Knysna)

R7,300,000

Exclusively Mandated - This VACANT stand offers endless possibilities to build your dream house and enjoy breathtaking views scanning over the entire Knysna Lagoon from the White Bridge, and beyond over the Outeniqua mountains and then across to the Brenton Beach all the way to Buffalo Bay. Wonderful Fynbos and proteas naturally enhance the slopes allowing for exciting nature walks and exploring. This house unfortunately was burnt during the 2017 fires. so, you have to unique opportunity to build your own dream house and choose the site for it - This 12.5 hectare property offers you the opportunity to build two dwellings and there are a few wonderful locations to consider embracing either the ocean views or the northern lagoon and mountain views. so could be ideal for your family and a guest cottage. you are 5 minutes away from the Brenton Beach, and only 15 minutes into Knysna CBD. thus, close to schools and convenient for shopping and browsing. George is the closest airport. working from home has never been more exciting.

Erf Size: 12.9 hectares

Rates & Taxes: R456 per month
