Eden Nature Reserve is a privately owned wildlife estate in South Africa where only a handful of privileged shareholders own homes. Live in harmony with nature in this pristine African bush veld just 12 kms north-west of Nelspruit, capital of Mpumalanga Province and gateway to areas of great scenic beauty and popular game reserves, including the world famous Kruger National Park. The close proximity of Eden to a vibrant commercial hub, world-class private medical and education facilities and the new Kruger Mpumalanga International Airport, makes it a uniquely desirable property. There are 8 new, 1 hectare, stands added to this exclusive estate, with only 6 still available, all boasting amazing
