775 m² vacant land for sale in Santareme

Santareme offers the opportunity for people who are nature and ocean enthusiasts to live life to the fullest, as there are several walking trails and the ocean is always close by. This stand is located closer to the village, but you can still enjoy a very relaxed and laid back atmosphere here. Due to this plot's location, Granny's Pool is within walking distance and the shops in the village are only a few minutes drive away. Granny's Pool provides the ideal and also safe area for a quick swim or morning coffee. The convenience that this plot offers would be its biggest value, and there is a slight potential for a view from the second level. Could this be a profitable investment? No one can guarantee
