3.2 acres residential vacant land for sale in Karen (Kenya)

KSH235,000,000

Situated in a well sought after neighborhood in Karen, lays this beautiful 3.2 acres of land which has a solid 3 bedroom home and a 2 bedroom cottage. The property can be used as primary residence or an investment which can generate a passive income. The topography consists of red soil, mature trees and well laid terraces which create a beautiful sloping garden. Waking up to the green forest, quiet and tranquil, serenity says it all for this property. Kindly give us a call to secure a personalized tour of this beautiful gem and allow us walk with you in the journey of making this your next home.

Erf Size: 3.2 acres
