An exclusive north facing stand seldomly found in St Francis Bay. This unique stand in Coral close has a small street entrance but a superb development area with perfect elevation. The stand is nestled in the corner of the cul de sac and well protected from the wind. However, it is the 120-degree view that will take your breath away. The elevated view is protected and cannot be spoiled now and in future as it overlooks the centre of the cul de sac with other properties much lower. The stand offers ingenious fynbos as can be seen on the pictures. Imagine building your dream house and having sundowners overlooking this fantastic view. The stand is in a quiet street with only three other houses
